ST MARY'S COLLEGE
AUCKLAND
CATHOLIC SCHOOL FOR GIRLS

Dear Parents/Guardians

We invite you to consider the many benefits of Catholic education in the Mercy tradition at St Mary's College.

St Mary's College is a Catholic Integrated school for girls, offering a Catholic education to students, Year 7 to Year 13.

St Mary's College offers a wonderful environment for your daughter to learn, grow and realise her potential. The College provides a high quality academic education with extensive co-curricular opportunities, and aims to instil in young women a strong sense of self-esteem and confidence.

As the oldest school for girls in New Zealand, St Mary's College has enjoyed a long tradition of academic excellence with graduates moving on to further their studies across a wide variety of disciplines. An holistic education has been key to the success of Mercy education since its inception in Ireland in 1831.

We aim to educate our students to be "21st Century Women of Mercy", prepared for the changing world and with a focus on reaching out to others.

St Mary's College is a very special place and we are delighted to share our world with you and your family.

Yours sincerely
Bernadette Stockman
Principal

“St Mary’s College will provide an excellent education for students enabling them to take their place in society as confident life-long learners and as women who value and hold the truths of the Catholic Church and the Mercy tradition of compassion and social justice”

SPECIAL CHARACTER OF ST MARY’S COLLEGE

At St Mary's College, our aim is to develop young women of Mercy. Our Catholic Character is woven into every facet of our College life. The Special Character programmes that we offer draw deeply on the values of the Gospel and the spirit of Mercy.

The Catholic Character of St Mary's College is its reason for existence. It is enshrined in the Private Schools Conditional Integration Act and is a legislative requirement. More particularly, it is the “heartbeat” and soul of the school.

“The School is a Roman Catholic School in which the whole school community, through the general school programme and in its Religious instructions and observances, exercises the right to live and teach the values of Jesus Christ. These values are as expressed in the Scriptures and in the practices, worship and doctrine of the Roman Catholic Church, as determined from time to time by the Roman Catholic Bishop of the Diocese of Auckland.”

ST MARY’S COLLEGE **EDUCATION PHILOSOPHY**

In the spirit of our foundress, Catherine McAuley, the St Mary's College are committed to education that is grounded in the gospels, in the teachings of the Catholic Church, especially as affirmed in the documents of the Second Vatican Council, and in respect for the dignity, worth and potential of every human person. As shown in the Constitutions of the Sisters of Mercy from the earliest times, and as quoted in the Fifth Schedule of the Integration Agreement of each Mercy College, a concern for the poor, uneducated and disadvantaged and especially for women and children, is fundamental to our mission.

Mercy Education at St Mary's College seeks to:

- Give scope for fullness of growth in body, mind and spirit
- Respect the uniqueness, giftedness and culture of every person
- Educate for justice that arises from awareness and compassion and works towards restoring right relationships with God, self, others and all creation
- Recognise Māori as tangata whenua and actively promote Te Tiriti o Waitangi as the partnership covenant fundamental to Aotearoa New Zealand
- Develop consciousness of the interrelatedness and interdependence of all people and all creation
- Express the mercy and justice of Jesus in interrelationships, structures and school community endeavours through practising mutuality, trust, collaboration and openness, rather than approaches which are exclusive, authoritarian or competitive
- Promote excellence, integrity and commitment in all teaching, student and school endeavours
- Provide an experience of a prayerful Catholic and Christian learning community that is open to the realities and needs of the local, national and world communities
- Encourage, through the school learning community experience, a desire for lifelong growth in faith, and in the fullest use of each person's gifts for the transformation of the earth in Christ

Continuing the work of Catherine McAuley through:

- Confidence in God's presence and action
- Serving the Church
- Courageous discipleship
- Understanding and Compassion
- Integrity and Goodness
- Proclaiming Jesus Christ in our time and culture

SCHOOL MASS

Each Religious Education class prepares a Mass throughout the year and these are held every Thursday at 1.25pm in our school Chapel. The class Mass roster is on our website. This is a wonderful opportunity for families to join us as we celebrate our faith. We will be encouraging our students to formally invite their parents the week that their class is on Mass

STUDENT CODE OF CONDUCT

The Student Code of Conduct which is published in the Student Handbook and is a condition of entry into St Mary's College states the underlying principles that **students show respect for others and do quality work**. These include the expectation that students respect staff, other students, property, the school uniform and that they attend school each day and all classes punctually. They must be equipped for all lessons, do quality work and the homework set in each subject and always behave responsibly when representing the school.

Student Code of Conduct

Classroom rules: ***Show respect for others***

Do quality work

I will work to the best of my ability.

I will respect the right of others to learn.

I will respect the person and property of every other member of the school community.

I will care for the school environment.

I will show courtesy and respect towards all staff and I will meet their requirements in and out of the classroom.

I will arrive at school on time and attend all classes punctually.

I will wear my school uniform correctly and with pride.

I will be properly equipped for all lessons and do the homework set in each subject.

I will not bring into the school grounds or buildings, alcohol, drugs, offensive or dangerous weapons, cigarettes, lighters or matches or use them on any school occasion.

I will behave responsibly when representing the school and will obey the rules set for school teams and functions.

I will travel to and from school by the most direct route without stopping unnecessarily.

I will be courteous and helpful to school visitors and to members of the public on the street and in public transport.

I will not bring gum to school and I will not chew gum.

Personal property such as cell phones or iPods are not to be used or seen during class. They can only be seen with the teacher's permission. If they are confiscated, they will only be returned to a parent/guardian of the student during school hours.

I will obtain permission from the school before I drive a motor vehicle to school.

I will take responsibility for my personal property. Large sums of money will be handed to the Office for safekeeping. I will keep my passwords private and confidential.

Parents are reminded that the enrolment form is a legal document and that a condition of enrolment is that the student is fully prepared to abide by the rules of the school.

“21st Century Women of Mercy”

FACULTY OF PERFORMING ARTS

One of the visions for St Mary’s College is to foster the tradition of music by providing a compulsory music programme in Year 7 to Year 9 which enables and enhances creativity and academic development. Benefits from the scheme include improved memory, reasoning skills, concentration, brain organisation and co-ordination. Co-operation, teamwork and self-expression are also developed. Personal development in terms of confidence, enjoyment, self-directed learning and personal creativity can all flourish.

St Mary’s College Music Department provides a wide range of musical opportunities. Students at all levels are encouraged to participate in a wide variety of bands, orchestras and choirs.

The following instrumental tuition is offered:

Flute	Trumpet	Violin	Percussion
Oboe	French Horn	Viola	
Clarinet	Trombone	Cello	
Bassoon	Tuba	Double Bass	
Saxophone	Euphonium		

Students can also participate in the following ensembles:

Year 7 Band	Junior Chamber Orchestra
Year 7 String Orchestra	Stella Maris Ensemble
Year 8 Band	Symphonic Band
Year 8 String Orchestra	Senior Orchestra
Year 8 Choir	St Mary's Choir
Year 9 Band	Chamber Choir
Year 9 String Orchestra	Concert Band
Year 9 Orchestra	Chamber Orchestra
Year 9 Choir	Small Ensembles

The Music Department tries to create as many performance opportunities as possible. Senior ensembles can travel overseas and participate in local and International Festivals and Cultural events. We also undertake a tour of Primary and Intermediate Schools, regular school performances and Proms concerts every year. Chamber music ensembles are invited to play regularly in the community. The Music Department also participates in religious services as part of our school's Special Character.

PASTORAL

The Pastoral Care team is led by Elena Grant, Deputy Principal and includes Deans, Learning Support, Counsellors, Careers and the School Nurse.

In the Mercy Tradition 'love in action' is a key to the conduct and discipline expected at St Mary's College. Through affirmation of positive qualities of each student we aim to produce articulate, vibrant, confident, self-disciplined and motivated Christian women with strong leadership qualities.

The Guidance Network in the College works to ensure the care and welfare of all our students. Although all teachers in the school contribute to the well-being of students, members of the Guidance Network have particular responsibility in this area.

DEANS AND FORM TEACHERS

The Form Teacher forms the basis of the network and plays the major role in providing for the pastoral care of students in their form. Each Year level has a Dean who works closely with students' Form Teachers and Class Teachers.

COUNSELLORS

The school has fully trained and experienced Counsellors who are available to assist with any personal or academic difficulties. Students and parents are encouraged to make contact when they feel they need help and support. They work with students, individually as well as with their peers and family, and can act

as their advocate with Teachers and Deans. Year 7 and Year 8 students are generally referred by a Parent and /or Dean. Older students may self-refer.

STUDENT DEVELOPMENT PROGRAMMES

A Peer Support Programme is in place to assist students to make the transition to College a positive and enjoyable experience. In Term 1 the Year 13 leaders are placed with Year 7 and Year 9 Form Classes and each week participate in a series of games and activities to promote social skills.

Peer Tutors - A number of Year 12 and 13 students are available as mentors for younger students to assist with their learning.

LEARNING SUPPORT

We have a Learning Support Department which provides support to students with special learning needs.

RECOGNISE RESPECT RESPOND REVIEW

These four words summarise the rationale and work of the Department. We recognise that our learners present with a very wide range of learning needs. Each learner is unique and we **respect** their individual personalities, their strengths and weakness. In **responding** to this diversity, we are constantly open to learning about new conditions, alternative teaching methods and strategies. Our progress and interventions are regularly discussed and **reviewed**, especially during our weekly Diverse Needs meetings, which are attended by a multi-disciplinary team. Please contact Lorraine Evening, Head of Learning Support – levening@stmary.ak.school.nz should you have any concerns.

DEVICES PROGRAMME

We have a device programme which is currently for Year 8 to Year 12 students. The students are asked to purchase specific devices. Information will be given out towards the end of each year. A meeting regarding BYOD at St Mary's College will be held and information will be published in the school newsletter.

Students are required to sign the Cyber Safety policy which states the procedures that they need to consistently follow to be a good digital citizen of St Mary's College.

LOCKERS

Each Year 7-10 student is allocated a locker and they are informed of their locker location and number during the first week. It is compulsory for Year 7-9, optional for others. This is part of the school fees contributions, however you do need to provide a padlock. Lockers are randomly allocated and we do not swap lockers unless there is a very good reason.

PHONES

If students choose to bring a cell phone to school it is the responsibility of each student to ensure the security of these during school hours. We discourage use during break times and use in class is at the professional discretion of the teacher for curriculum related use. We recommend Year 7 students do not bring Smartphones.

HOMEWORK

Subject teachers regularly set homework. Each student is expected to set time aside on a regular basis to complete it. Homework may consist of going over the days lessons, set work on a particular subject. A long term assignment which is worked on over a period of time, study of work already completed and preparation for tests/examinations.

INTERNATIONAL DEPARTMENT

St Mary's College welcomes enrolment enquires from International Students. We welcome the diversity that International Students bring to the College. Our International Student Director, the ESOL Department, the Deans and Guidance Counsellors work closely alongside teachers to support our International Students and to ensure their happy integration into school life. Students are guaranteed individual attention as classes are small. In addition, tutorial and homework groups are provided to support students' learning. Furthermore students have access to English language support through the ESOL Department. Besides small classes and supportive environment, students have the benefits of excellent up-to-date facilities.

The Vision Statement for the International Department states:

“To provide St Mary's College students exposure to, and interaction with, students of other cultures and to provide those international students with involvement in the St Mary's College way of life”

If you are enquiring about an International student attending St Mary's College or would like to know more information please contact Sue King via email on sking@stmaryak.school.nz.

PHYSICAL EDUCATION/HEALTH/SPORTS

Health and Physical Education is compulsory unless students are certified as medically unfit. Swimming is part of our school curriculum and students are expected to participate. If your child is unable to participate in any lesson for medical reasons, please communicate with the Physical Education teacher over email or a written letter. Parents are requested to discuss any disabilities suffered by pupils at the interview.

The College has a strong sporting tradition and all students are encouraged to participate. Many of our teachers and parents put a great deal of time and effort into sport. As a result we are represented in most sports and have several champion teams. Students are expected to play for the school while they are at College. Parents are urged to support school teams on Saturdays and whenever inter-school games are played.

A Sports Handbook is available which provides a brief outline of the different sports that are available at St Mary's. Each sport will give you a brief outline on where they play competition games, where they train and fees for the season etc. This will enable you to plan your daughter's sporting activities while attending St Mary's College.

EXTRA-CURRICULAR ACTIVITIES

All girls are expected to participate in a sport, music or a club during the year. A wide variety of activities are offered and commitment, fair play, having fun and school spirit are considered important. A teacher will be in charge of the following activities:

St Mary's College is a non-profit organisation, and all contributions go into providing for your daughter's education. As we welcome your family in joining the St Mary's College Community there is an expectation that you will become involved on many levels and support the school financially.

Payments are accepted either through Direct Credit to the school (as above) or automatic payment (forms available on request to accounts@stmaryak.school.nz)

A statement for all the fees/contributions will be emailed to you in January and each term during the year.

An annual receipt for the period ending 31 March will be issued for all contributions to General Purpose, Proprietors, Buildings, Special Character, PTFA and the Compassionate fund for tax refund purposes. (refer to www.ird.govt.nz).

We thank you for using ONLINE BANKING which is the preferred method of payment.
