## USE OF DEVICES & INTERNET AT ST MARY'S COLLEGE

As BYOD (Bring Your Own Device) at St Mary's College it is vitally important that we address the safety issues which are involved.

Currently devices that provide internet access are prevalent throughout the school in the form of cellphones, tablets, laptops and desktop computers. In the last few years, these devices have grown in number which has prompted the production of a standalone Anti-bullying/Cyber Safety Procedure as part of the BOT Child Protection Policy.

### The Rationale for the Cyber Safety Procedures States:

St Mary's College seeks and affirms each person's worth, dignity and vocation. Bullying/Cyberbullying (including harassment) strikes at the basis of these. The college is **committed to ensuring that all staff and students are able to work and learn in an environment free** from bullying/cyberbullying or the consequences thereof. At this point we need to now remind ourselves of the core Mercy values which underpin our standing as a Catholic College for girls in the Mercy tradition. The values are **Faith, Respect, Excellence, Justice and Service**.

### From these values comes our vision as we believe that:

**Students** are at the **centre** of the learning process

**High quality learning** requires **high quality teaching**

**All students** should have the **opportunity** to achieve **Excellence**

**A wide range** of learning opportunities should be provided which will **enhance student connection, involvement learning and achievement**

(See St Mary's College Charter 2019)

BYOD is well aligned and sits beside our vision for St Mary's College. It is important that the school provides a safe physical and emotional environment. All students' sign an Internet Agreement acknowledging that their use of the internet is for school purposes only. With BYOD and in keeping in line with the schools new Anti-Bullying Cyber Safety Policy the new student agreement refers in particular to the use of the device that is being used for learning.

### St Mary's College Computing and Cyber Safety Rules:

As a responsible and safe user of the school network and my own ICT equipment I will keep myself and other people safe by following these rules:

- I cannot use school ICT equipment until my parent/s and I have read and signed my use agreement form and returned it to school
- I will use the school approved group chats on TEAMS to communicate with the students in my form class
- If I have my own username, I will log on only with that username. I will not allow anyone else to use my username
- I will not tell anyone my password
- While at school or on a school related activity, I will not have any involvement with any ICT material or activity which might put myself or anyone else at risk. (e.g.: bullying, harassing) This included no posting photos of student on social media while engaging in school activities
- While at school, I will not access or attempt to access, inappropriate, age restricted or objectionable material
- I will not make any attempts to bypass security, monitoring and filtering that is in place at the school
- I understand that I must not at any time use ICT to upset, offend, harass, threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke
- I will use IT in a way that is keeping with the values and standards that is expected at a Mercy school.
- I understand that these rules also apply to my mobile phone or any other device that connects to the internet
- When at home I will use social media responsibly and will not post any material that causes exclusion, or hurt to anyone at school

## St Mary's College Cyber Safety / Internet Agreement Form

### We understand that St Mary's will:

- Do its best to keep the school cyber safe, by maintaining an effective cyber safety programme. This includes working to restrict access to inappropriate, harmful or illegal material on the internet or school ICT equipment and devices
- Keep a copy of the signed student agreement on file
- Respond quickly and appropriately to any breaches of this agreement
- Provide members of the school community and students with cyber safety education designed to complement and support the agreement initiative
- Welcome enquiries from students and parents about cyber safety issues
- Breaches will be referred to school disciplinary processes

### As a student of St Mary's my responsibilities include:

Reading the cyber safety agreement carefully

Following the internet and cyber safety rules of the school whenever I access the school's internet. (See St Mary's College Computing and Cyber safety rules above)

I understand that this includes any privately owned device on the school site or at any school related activity.

### Student:

#### My responsibilities include the following:

- I will avoid any involvement with material or activities which could put at risk my own safety, or the privacy, safety and security of the school or other members of the school community
- I will take care of the school ICT devices and/or my own and any damage to school ICT may result in my family having responsibility for the cost of repairs. I also understand that damage to my own device is my and my family's responsibility
- I will keep a copy of this agreement safe so I can refer to it in the future
- I will ask the relevant staff member if I am not sure about anything to do with this agreement

I have read and understood my responsibilities and agree to abide by this cyber safety use agreement. I know that if I breach this use agreement there may be serious consequences.
