

## **2019 VISA REQUIREMENTS**

There are two types of Visa's available for a student studying at our school. For ONE year or for more than one year and up to five – Pathway Visa.

For a PATHWAY VISA the parents need to provide bank statements to show they have enough income to support their daughter for the current year AND the remaining years (\$15,000 each year) through bank statements showing investment income or regular employment income. The more evidence to show proof of funds the better.

St Mary's can only apply on-line for a student visa for a student who is not accompanied by her Mother so an email photo ID is needed.

All other applications (Mother/Daughter) need passport photos and paper copies of everything.
