Mercy Values at St Mary's College

At St Mary's College, high standards of effort and behaviour are expected from students. In addition, behaviours which demonstrate the core Mercy values are supported not only in education, but also in sports. Students are encouraged to think about how they can demonstrate our Mercy Values through Sports.

Respect for human dignity

- Respecting the dignity of each person
- Acknowledging the unique qualities and gifts of each person
- Ensuring the right of each person to learn

Compassion

- Showing understanding and sensitivity towards each other
- Respecting and caring for the environment
- Thinking before speaking or acting

Excellence

- Striving for personal excellence in:
 - my academic studies
 - co-curricular activities
 - my dealings and interactions with others
 - my dress and behaviour
- Celebrating excellence in others

Service

- Contributing to our school community
- Being generous in my thoughts and actions
- Giving my best for my own learning
- Giving my best for others
- Being welcoming and hospitable
- Sharing my talents and abilities

Justice

- Acting with honesty and integrity
- Showing fairness with others
- Celebrating people's gifts and talents
- Taking responsibility for my actions
- Standing up for what is right and good
- Not tolerating bullying

Care of the poor and vulnerable

- Being generous in my thoughts about others
- Giving practical help when I can
- Supporting our missions

Message from the Principal

Thank you for reading this Handbook on Sports processes and procedures at St Mary's College. It has been produced to facilitate communication between students' parents, coaches, managers and school leadership. This will ensure that the focus in sport is on participation and enjoyment and that students are supported to reach the level they are capable of, and in a way that incorporates our Mercy Values.

St Mary's College views co-curricular activities as an essential part of forming Mercy Women of the 21st Century, and we offer a holistic vision for our students. We are focused on providing activities that enhance the wellbeing of all while building relationships with teachers and adults who have a positive impact on the lives of our young women.

Sports is a co-curricular activity and receives no government funding. We rely on parents' contributions and financial support while having measures in place to ensure sport is accessible to all, regardless of financial circumstances. The Board of Trustees, Parent, Teachers and Friends (PTFA) Association, the Past Pupils organisation, and Board of Directors all provide support through various means, and I would encourage you to support their activities that will benefit our students.

We have high levels of participation in sport with over 67% of students taking part in some form of sport. There is a great deal of success up to Representative level and in 2020 we had 5 International representatives.

No matter what level your daughter or team participates in, I would like to wish them success and enjoyment as they reap the benefits of involvement in a sporting activity.

Yours in Mercy

Sarah Dwan
Principal

Message from the Director of Sport

We are proud of our high participation rate at St Mary's College, which is made possible with the support of the Board of Trustees, Board of Directors, Staff and the wide community of volunteers.

We take guidance and direction from Sport NZ and have adopted their 'Balance is Better' philosophy. This means that our focus has shifted to ensuring that our students have a positive and fun experience in whichever sport or activity they choose. The introduction of student-lead teams where students have the option of picking their own teams has seen a spike in participation in the Senior school, an age where participation traditionally starts to decline. A range of activities are offered to cater to all, from teams who compete in weekly competitions to less-competitive in-house programs which encourage fun and movement.

Trials are held for all Premier teams and the top team in each age-grade. Students who prefer a more competitive or performance pathway are encouraged to attend trials.

Covid-19 has presented numerous challenges in the way sports is run, with the goalposts constantly changing. What this means for all is that we must be adaptable and ready to roll with the changes. Our priority remains the same regardless of the environment, to provide sporting opportunities for our Mercy women which enhance and support physical, mental and social wellbeing.

More details about our 3-Tier sports structure can be found in this handbook although this will be reviewed and updated in 2022. As a co-curricular activity, we rely on the support of volunteers by way of coaches, managers, and general support. I invite you to partner with us to provide a rich sporting experience in true Mercy spirit.

Pesio Matiseni
Director of Sport

Sports Registration Process

Sports registrations are completed online using Microsoft Forms. You can find these forms on the St Mary's College website at various times of the year. It is highly recommended that the school app is downloaded as we will notify you as registrations open if you have subscribed to receive Sports alerts.

Payment must be made at the time of registration. Please make careful note of the withdrawal date, as we have a No Refund Policy should your daughter withdraw after this date. We kindly ask that you do not register your daughter for a sport if you do not agree with this policy.

Sport at St Mary's College

Vision

More young women participating and succeeding in sport

INVOLVE – RETAIN - EXCEL

Mission

To create an environment where sport is appealing to all students.

To engage the full St Mary's community to ensure longevity in physical activity.

To complement academic learning by encouraging leadership, teamwork, commitment, integrity and humility.

Tier 1 Sports

These are our Premier Sports.

- High participant numbers and/or successful results
- Premier team has the privilege of participating at a National/Regional tournament
- Managed by the Sports department with help from volunteer parent groups

Basketball, Football, Hockey, Netball and Water Polo

Tier 2 Sports

These sports offer students a chance to be active.

- High to medium participant numbers
- Must have Teacher in Charge, Parent in Charge or run by external contractors
- Managed by the Sports department

Badminton, Cricket, Dragon Boating, Lacrosse, Orienteering, TeenFit, Tennis, Touch Rugby, Volleyball

Tier 3 Sports

These are sports that do not come under Tier 1 and 2. They are not actively supported by the school, but we can facilitate registrations and entry into events.

- Participant must compete at club or higher level
- Solely managed by the participants parent/caregiver

These tournaments incur additional costs

Regulations

Registration Fees

Registration fees are due at time of registration. Students will not be named in teams until payment has been received.

No Refund Policy

Students withdrawing after the 'no withdraw date' will not be eligible for a refund. Before registering for a sport, careful consideration should be made around availability and other commitments to avoid clashes.

Number of Sports

A student may only take part in two (2) sports per winter or summer season.

Playing up and Premier selection

Students cannot play up in a higher aged competition or grade i.e.: Intermediates cannot play in a secondary school competition, or a Year 9 cannot play in a Year 10 grade if there is a Year 9 grade available.

Students in Year 9 or below are not eligible for selection into a Premier team. Exceptional circumstances will be considered with the final decision being made by the Director of Sport and/or Principal.

Tournaments

Tier 1 Premier teams have the privilege of attending multi-day tournaments. To be eligible to attend, student attendance rate must be at a minimum of 90%.

Tier 1 Year 8 top teams will have the opportunity to attend AIMS Games.

Tournament approval is at the discretion of the Deans, Director of Sport and/or Principal. All Sports fees must be paid before a student can attend multi-day tournaments.

Prize Giving

The annual Sports Awards evening recognizes excellence in sporting achievements. This is held annually, and award recipients will be notified.

A less formal Sports Celebration will be held recognizing all other achievements.

Contract

All students that wish to play sports must complete a player contract signed by parent and student.

Code of Conduct

Players

- I will represent St Mary's College by modelling the Mercy values of Respect, Compassion, Justice and Excellence.
- Once selected into a team, I will remain committed for the whole season.
- If I am in a Premier team, I will prioritise my school game over my club game if they clash.
- I will attend all meetings, trainings and games and if I am unable to, I will let the coach or manager know at the earliest convenience.
- I will put 100% effort into trainings and games.
- I will turn up to meetings, trainings and games on time and I will treat my coach, manager, staff members and fellow team members with respect.
- I will wear the correct sports uniform and wear it with pride.
- If I decide to withdraw from a sports team once I have registered, I understand that my sports fee will not be refunded.
- I understand that in order to be considered for a tournament, my attendance must be above 90%
- I understand that all school rules apply including the appropriate use of cell phones.
- I understand that the use of social media and any such posts should not portray the school in a negative context. This includes references to team members, management and officials.

Parent/Caregiver

- Remember that children play sports for their own enjoyment, not yours.
- Provide positive encouragement for your child, her teammates and the opposition.
- Model the Mercy values of Respect, Compassion, Justice and Excellence and insist your child adheres to them also.
- Respect the decisions of the coach, manager, school staff and all officials.
- Promote the value of Sportsmanship.
- You agree that should your daughter withdraw from a team, that you are not entitled to a refund of fees.
- Show respect and appreciation for the coaches (including student coaches) and managers of your daughter's team. Without them, our students would not have the opportunity to play.
- Contact the Sports Department with any complaints or feedback, not the coach or officials.
