ST MARY'S COLLEGE

SARAH DWAN OUR PRINCIPAL

"St Mary's College will provide an excellent education for students enabling them to take their place in society as confident life-long learners and as women who value and hold the truths of the Catholic Church and the Mercy tradition of compassion and social justice"

Kia Ora & Welcome

We are a Catholic integrated school for girls, offering an education for students from Year 7 to Year 13. There are many benefits of Catholic education in the Mercy tradition at St Mary's College.

St Mary's College offers a wonderful environment for your daughter to learn, grow and realise her potential. The College provides a high-quality academic education with extensive co-curricular opportunities and aims to instil in young women a strong sense of self-esteem, confidence and service.

As the oldest school for girls in New Zealand, St Mary's College has enjoyed a long tradition of academic excellence with graduates moving on to further their studies across a wide variety of disciplines. A holistic education has been key to the success of Mercy education since its inception in Ireland in 1831.

We aim to educate our students to be **"21st Century Women of Mercy"**, prepared for the changing world and with a focus on reaching out to others.

St Mary's College is a very special place and we are delighted to share our world with you and your family.

Yours in Mercy,
Sarah Dwan, **Principal**
